

## CSE 215L: Programming language II Lab

Faculty: Dr. Ziaul Hossain (ZHO)

Sec: 05

Lab-15 [Packages and Interface], Summer-2020

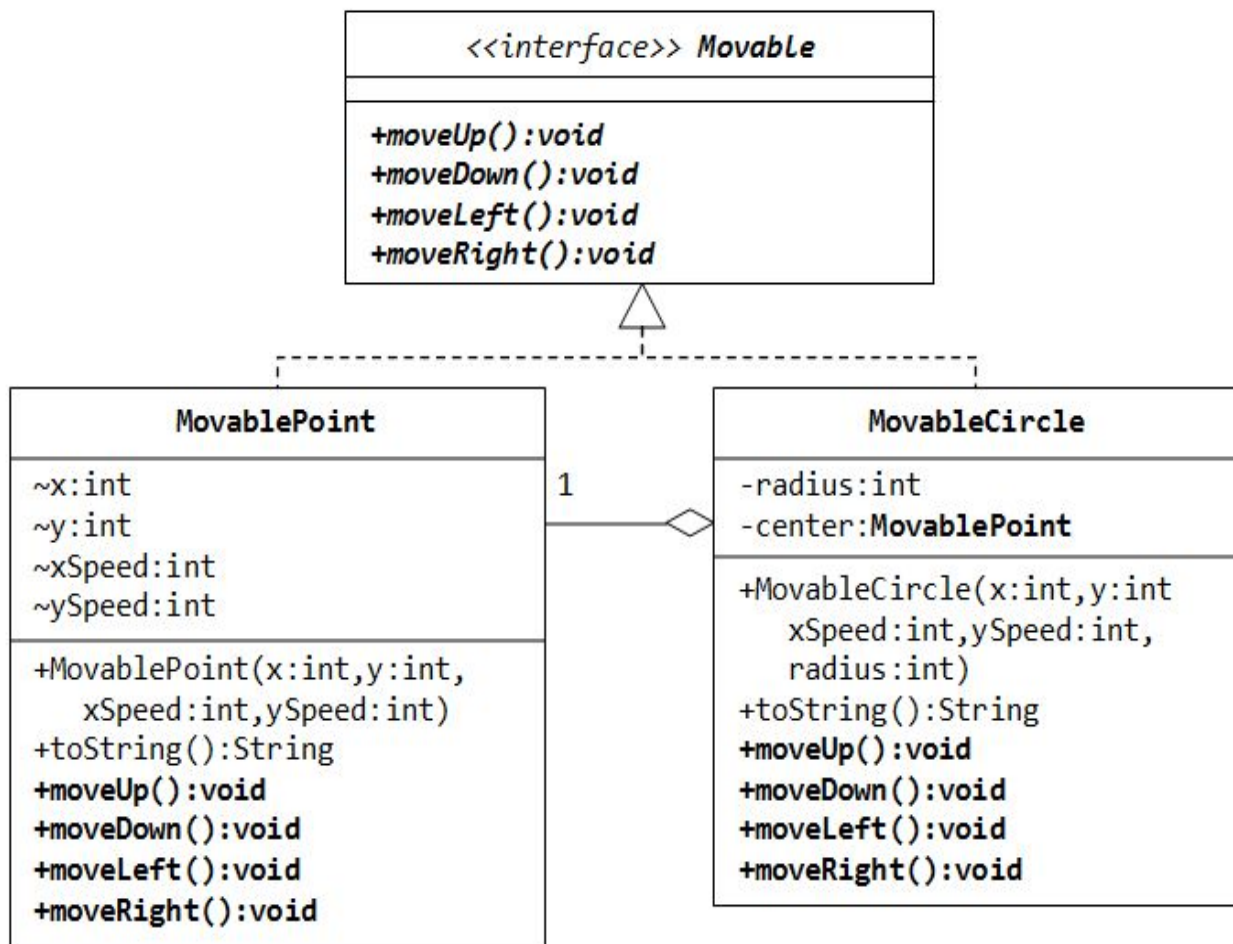

Lab Instructor: Md. Mustafizur Rahman

### Objective:

- To get to know about user-defined packages in java
- To specify common behavior for objects using interfaces
- To define interfaces and define classes that implement interfaces

### Task-01:

Implement the following UML class diagram and test the methods.

### Task-02:

Implement the following UML class diagram and test the methods.
